

MAKEUP/CANCELLATION POLICY

I cannot guarantee makeup lessons because of my schedule.

If the lesson is cancelled 24 hours or less from lesson time, I cannot offer a makeup lesson.

If the lesson is cancelled in more than 24 hours from the lesson time, I will check my schedule to see if I can offer a makeup lesson, but I cannot guarantee a time. I will offer a few options if I have them, and if you're not available for the times I offer, there won't be a makeup for that missed lesson.

INVOICE POLICY

I will invoice prior to the month of lessons (for example, invoices will be sent out in August for Septembers Scheduled Lessons). I will clarify any conflicts prior to sending out those invoices.

Any conflicts noted after the invoice is sent are subject to my makeup/cancellation policy.

Invoices will be due on the 27th of the month (:
